Adverting to Government Order No L.3065-67/M1 129-41-2 dated 23-10-1941 sanctioning the proposals for the revision of the scales of pay of the Establishment of the Octroi Department, I have the honour to state that necessary allocation statements showing the allocation of the Octroi Superintendent and the Establishment as per revised scales of pay were placed before the Managing Committee and the Municipal Council at their Meetings held on 11-11-1942 and 28-11-1942 respectively and that they have approved of it

Copies of the said resolutions together with duplicate copies of the allocation statement with necessary alterations as per the resolution and a copy of my memo are enclosed herein for - favour of perusal and obtaining sanction of Government to the allocation list as approved by the Council

I may add in this connection that Mr C Annadanappa the present Octroi Superintendent was appointed to the said post only very recently as per Government Order No L 2769-89/M1 10-42-35 dated 7-9-1942 fixing him on the starting minimum pay of Rs 100/- in the grade 100-10-150 and it is too premature to fix him in the revised grade viz, 100-10-150-25/2-250 in view of the fact that he has not even finished the probationary period of one year and thus afford an opportunity to the Executive of gauging his work and efficiency to the said post I would therefore request that Government may be pleased to

In view of the low finances of the Municipality, how could the extra expenditure entailed by the revision be met?

The Octroi and Toll revenue is progressively on the increase year after year on account of the rapid growth of the City and its Commerce. During the current year, there is already an increase of Rs. 62,129-13-9 up to the end of February 1943 as compared to the same period during the previous year. Under the circumstances the extra expenditure entailed may be met out of the increased collections.
